## PROFILE

Digital Art and Cinema Production graduate with hands-on experience delivering 68 episodes of network television. Proficient in Avid, Premiere Pro, After Effects, and Photoshop. Known for quick learning, strong work ethic, and effective collaboration in fast-paced, high-pressure environments.

## WORK EXPERIENCE

### ASSISTANT EDITOR

ITV AMERICA | FEB 2024 - FEB 2025

- Relinked low-resolution sequences for color and online.
- Edited short-form content for History's YouTube channel.
- Created and swapped in patches for online delivery.
- Designed L3rds in After Effects.
- Organized, marked, grouped, and synced footage.
- Addressed producer and editor requests.

### POST PRODUCTION ASSISTANT

ITV AMERICA | JUNE 2022 - FEB 2024

- Prepped and exported screeners for network review, promotional use, and final delivery.
- Ingested photos, music, and graphics; pulled and logged high-resolution stills.
- Offloaded, labeled, and shipped media.
- Strung out episode scripts for editors.
- Contributed to various documents for final deliverables.

### VIDEO EDITOR

COACHRAISE | SEPT 2021 - DEC 2021

- Assembled lesson videos for three academic courses, including audio cleanup, color correction, and GFX creation.

### INTERN PROJECT MANAGER/MEDIA COORDINATOR

PERCEIVANT | JUNE 2014 - AUG 2016

- Planned and managed the production of new sports how-to videos for online courses.
- Reviewed and edited 300+ existing how-to videos, including audio cleanup, background sound, intro cards, and logo watermarks.
- Led a team of interns, assisting with onboarding, task assignments, and quality checks.
- Organized video and image assets into a searchable database for the editorial team.
